Help IWOFF Build Our Bridge with

Suiting Up for Success

May 19, 2010

At our Annual NAIW May luncheon, Insurance Women of Fresno will collect clothing donations for Suiting Up for Success. This community outreach program supports students participating in the Fresno City College Welfare to Work program. Now is the time to look into your closet and part with your gently used men's and women's professional attire.

We're looking for all sizes (but particularly larger sizes) of clothes. Your donation can include the following:

Men's and women's suits, dress shirts, blouses, jackets, skirts, dresses, slacks, ties, scarves, handbags, costume jewelry and nylons.

We ask that the garments be in good repair, cleaned and on a hanger when you bring them to the May 19th luncheon.

Your donation is tax deductible. The Fresno City College Welfare-to-Work student who adopts the garments you have donated will have successfully completed courses preparing them for gainful employment. Equipped with newly developed skills, increased self-confidence and the proper interview attire, we can "help others help themselves" as they bridge to new horizons.
